Berichte

1. Liebe Schneesportlehrer und Organisatoren

Bei unserer alle 4 Jahre stattfindenden ISIA-Weltmeisterschaft sollen nebst dem Wettkampf auch die Freundschaft und der Meinungs-austausch im Zentrum stehen.

Anlässe, bei denen sich Gleichgesinnte aus aller Welt zu einem Schneesportfest treffen, sind als Entwicklungsplattform für unseren Sport und Beruf zu betrachten, um den Fortschritt voranzutreiben und neue Trends zu setzen.

Es ist für uns eine Ehre, wenn sich eine Destination wie Obergurgl zu einem solchen Anlass engagiert und uns ein solches Treffen ermöglicht.

Im Namen des ISIA-Präsidiums danken wir dem österreichischen Skischulverband und den Organisatoren für die Durchführung der WM, und den Teilnehmern wünschen wir erfolgreiche Wettkämpfe und unvergessliche Tage in Obergurgl!

Euer Präsident
ISIA
Riet. R. Campell

2. Vorwort

„Die ganze Welt blickt nach Obergurgl“ – war einer jener grossen Pressetitel, welcher anlässlich der Landung von Prof. August Piccard mit einem Ballon tatsächlich um die ganze Welt ging.

70 Jahre später wird zumindest die Skilehrerwelt wieder nach Obergurgl blicken.

Vom 28. November bis zum 2. Dezember 2001 werden sich die Skilehrer aller Nationen zu einem fairen Wettkampf in Obergurgl treffen.

Dabei soll nicht nur der Sport, sondern ganz besonders auch das Zusammentreffen von Freunden, das Austauschen von Meinungen und Erfahrungen und damit der Kontakt untereinander in den Mittelpunkt gestellt werden.

Obergurgl – als höchstgelegenes Kirchdorf Europas – ist bekannt dafür, dass es solche Veranstaltungen perfekt organisieren wird und ich freue mich heute schon, vielen Skilehrerinnen und Skilehrern ein herzliches „Grüss Gott“ sagen zu dürfen.

Den Organisatoren danke ich sowohl für die bisher geleistete, wie auch für die noch zu leistende Arbeit.

Allen Teilnehmerinnen und Teilnehmern wünsche ich viel Erfolg und einen schönen Aufenthalt in Obergurgl.

„Ski Heil“
Erich Melmer
Präsident ÖSS

3. Reports

Dear Ski Instructors and Program Organizers

Our ISIA-World Championship, which takes place every four years, focuses not only on the competition itself, but also on making friends and exchanging views. Events like the Snow-Sports' Festivity, where like-minded people from all over the world get a chance to meet, is the ideal platform not only for our sport, but also for our profession: progress is realized and new trends are established.

It is an honor for us to see the commitment of destinations like Obergurgl to support these events. On behalf of the ISIA-Chair we would like to thank the Austrian Ski School Federation and its organizers for the realisation of this World Championship. We wish all participants a successful competition and unforgettable days in Obergurgl!

**Your president:
ISIA
Riet. R. Campell**

Preface

„The entire world focuses on Obergurgl“ – many years ago, this was one of the major head-lines announcing the balloon landing of Professor August Piccard which grabbed the attention of nations around the world.

Now – 70 years later – at least the world of ski instructors will focus once again on Obergurgl. From the 28th of November until the 2nd of December 2001, ski instructors from many countries will gather for a professional competition in Obergurgl. The focus of attention will not only be the sport, but also the gathering of friends, their exchange of views, experiences and networking.

Obergurgl – the highest elevation village in Europe – has a popular reputation for its organizations of these events. It is my pleasure to warmly welcome all ski instructors and as we say here in Tyrol: a heartfelt “Grüss Gott”.

To all the Program Organizers my sincere thanks for all your efforts up to now and your professional commitment to our future events. And to all participants: Our wishes for your success and a pleasant stay in Obergurgl.

“A Ski Salute to All,”

**Erich Melmer
President ÖSSV**
